

Camp Scholarship Guidelines

Following are the guidelines for receiving a camp scholarship from Faith United Methodist Church.

1. The person making the request should be an active participant in the life of FUMC.
2. The camp should be church affiliated or in the Methodist camping brochure in order to qualify for a scholarship.
3. We ask that the parent pay the camp registration/deposit for the camp, so that there are no mix-ups or late registrations. This may be reimbursed at a later date if the amount paid is greater than 50% of the total cost of the camp.
4. Early registration is suggested as the Youth and Family Savings Account may diminish.
5. The Youth and Family Savings Account will pay 35% of the total cost of any church-affiliated camp, not to exceed the **maximum total of \$200 from FUMC.** (i.e. If the camp tuition is \$250; the church will pay 50%: Savings – 35%; UMW – 15% or \$125; however if the camp tuition is \$550; the church will pay \$200.)
6. The United Methodist Women (UMW) from Faith will pay 15% of the total cost of the camp (see formula above).
7. Therefore, a total of 50% of a camp will be covered by the Youth/Family Savings and the UMW.
8. In some certain cases, an exception may arise. There will be some opportunity to raise some of the money needed to go to camp if funds are still insufficient after scholarships are awarded.
9. One (1) request asked is that upon return, the student shares their camp experience with the youth at an MYF meeting or in Sunday School and with the people of the congregation at some point.
