

## Camp Scholarship Guidelines

In the spirit of Christian love and sharing the message of Jesus, the following guidelines have been developed for receiving a scholarship from Faith United Methodist Church to attend a faith-based camp.

1. The camp should be Christian affiliated or in the Methodist camping brochure in order to qualify for a scholarship.
2. We ask that the child's registration/deposit be paid to the camp. If scholarship is granted, this will be reimbursed at a later date. Proof of payment to camp is required to be submitted with scholarship application to qualify for reimbursement. If there is financial hardship regarding payment up front for camp, please call the church office at 507-346-2830. The Education Committee will discuss approving payment directly to camp versus reimbursement.
3. Early registration is suggested as the Youth and Family Savings Account may diminish.
4. The Youth and Family Savings Account will pay 35% of the total cost of any Christian-affiliated camp, not to exceed the maximum total of \$200 from FUMC. (i.e. If the camp tuition is \$250; the church will pay 50%: Savings – 35%; UMW – 15% or \$125; however if the camp tuition is \$550; the church will pay \$200.)
5. The United Methodist Women (UMW) from Faith will pay 15% of the total cost of the camp (see formula above).
6. Therefore, a total of 50% of a camp will be covered by the Youth/Family Savings and the UMW.
7. All submitted scholarship applications approved by the Education Committee are subject to scholarship funds availability.
8. Upon completion of camp, the Education Committee will reach out to attendee to hear about their camp experience.
