Over the years I have much appreciation for Charles Schulz and his Peanuts characters. On Facebook I enjoy "Snoopy's Everybody's Best Friend." Now as summer moves ever closer to Autumn, I saw a Peanuts cartoon which kind of spoke to a late summer afternoon. We see Charlie Brown and his pals gathered around on what could be a late summer's day. Lucy is watering sunflowers with the hose, Linus is sitting in the doorway with his blanket, Sally is smiling, Snoopy is taking a nap and Charlie Brown and Woodstock are enjoying some watermelon. The fan is blowing a cool breeze and everyone seems happy and content. It is a peaceful picture depicting a late summer theme.... As I look at this picture, I think to myself, "Wouldn't it be awesome if people everywhere could enjoy the gentleness, happiness and peace of a late summer's afternoon?"

Charles Schulz as a cartoonist often depicts theological and biblical themes. In the Peanuts characters, one finds various storylines that portray themes of Christian faith and the Christian journey as disciples of Jesus. A few days ago, it was really hot outside, the pool was closing and my little grandson Connor and I decided to watch a movie together. We turned on "It's a Charlie Brown Christmas" and watched as the Peanuts characters told the story of the birth of Jesus. It was a blessed afternoon.

It is almost September. It is time to think about autumn activities and events and to reflect back on the beauty and wonder of summer as the season draws to a close.

It is time to give thanks for those beautiful blessings that we share together...the blessings of family, friends, community, church, faith, love, sunflowers and watermelon.

Charlie Brown and his friends were gathered together on that summer's afternoon. They were sharing together in the goodness of life and the goodness of God's love surrounding them in the simple blessings of life. As summer moves ever closer to Autumn, let's take time to think about the blessings we share together and find ways that we can help and encourage others around us. There is a certain peace and simple beauty depicted by Charles Schulz -- the Peanuts characters together -- on a late summer's day. In all things, let us give thanks to God for the blessings we share together and may we be people who build up and encourage others as we live and share the Good News of Jesus.

Lucy is watering the sunflowers, Sally is smiling by the door, Linus is cuddling his blanket, Snoopy is taking a nap, Charlie Brown and Woodstock are enjoying some watermelon and the fan is blowing a cool breeze. Life is good and we are blessed. Let us share our blessings with others all to the glory of God!

God's blessings always,

A little girl, dressed in her Sunday best was running as fast as she could, trying not to be late for Bible class.

As she ran she prayed, "Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!"

As she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress.

As she got up, brushed herself off, and started running again, she once again began to pray, "Dear Lord, please don't let me be late!...But don't shove me either!!!"

Rampant wildfires on the island of Maui, Hawaii, coupled with hurricane winds have caused devastating loss to the community of Lahaina. The Lahaina United Methodist Church was destroyed. Monetary gifts for community recovery efforts may be placed in the offering, with checks written to our local church and "Hawaii Relief Fund" on the memo line.

GIVING PRAISE AND THANKGIVING TO GOD....  
50th Anniversary of the Spring Valley: FAITH CHURCH building  
Consecrated to the glory of God on May 13, 1973.

On Sunday, September 24th there will be a celebration at Spring Valley: Faith United Methodist Church commemorating the 50th anniversary of the church building which was consecrated to the glory of God in 1973. The plans leading to the building of Faith Church started in about 1969 following the uniting of Grace Evangelical United Brethren Church, Methodist Memorial Church, and First United Church of Christ in Spring Valley. Pastors John Payne and Paul Bosshardt served the Spring Valley Church at that time.

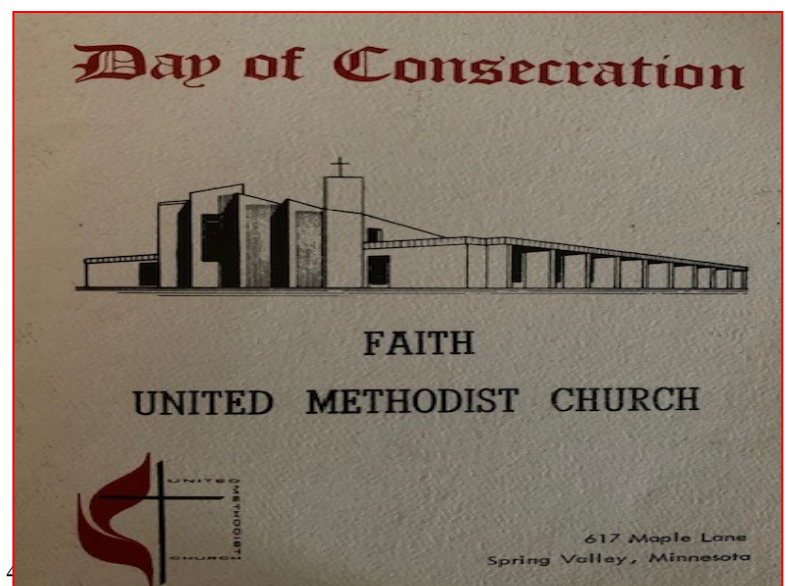

In September of 1969 land was found for the eventual construction of the new Faith United Methodist Church. Construction on the new church began in May, 1972. The cornerstone was laid in November, 1972. The congregation moved into the new church building on May 6, 1973 with the service of consecration taking place May 13, 1973.

(It should be mentioned that The Reverend John Payne was noted for building church buildings! In 1967 he was pastor in Preston when the new Preston United Methodist Church was consecrated following his ministry in Preston, Rev. Payne moved West and soon began the process for building the Spring Valley Church building.)

People are invited to bring photos, clippings and other items as we get ready to celebrate the 50th anniversary of the Faith Church building. Arrangements will be made to bring the old John Deere walking plow back to Spring Valley for the celebration, this was the same plow used for the ground breaking ceremony.

Many things have changed since 1972...some good -- some not so good, but nevertheless we are still a people of faith who are committed to the mission and ministry of Jesus Christ! Much has happened in the last 50 years, but through it all Jesus remains the same yesterday, today, tomorrow and forever.

Let's gather together on September 24, 2023 to celebrate and give thanks for the blessings we share as Christian people. We give thanks unto God in Jesus Christ for the mission and ministry to which we are called.

Our Maple Leaf Parish is beginning a group for "tweens" and young teens. Starting Sunday, Sept. 10 at 5 p.m. at the Faith Church campfire ring, kids entering 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> grades and their parents are invited for a time of learning, food, fun and friends as we make plans for this pre-confirmation group. Students from our Maple leaf Parish churches, and their friends, are invited. Our intention is to meet together about twice per month, usually on either Sunday or Wednesdays, to grow together in Christian faith and friendship through occasional field trips, mission projects, game nights, devotional and learning times, food and fun!

Contact the church office at 507-346-2830 for more information, or if you can't attend on Sept. 10. Our next gathering will be on Wednesday, September 20 at 5:30 p.m. at Faith Church to carpool to Grand Meadow for a food packing mission project (See article elsewhere in this newsletter). Parents are always welcome.

A pastor asked an older farmer, decked out in bib overalls, to say grace for morning breakfast. “Lord, I hate buttermilk”, the farmer began. The visiting pastor opened one eye to glance at the farmer wondering where this was going. The farmer loudly proclaimed, “Lord, I hate lard”. Now the pastor was growing concerned. Without missing a beat the farmer continued “Lord, you know I don’t care for raw white flour”. The pastor once again opened an eye to glance around the room and saw that he wasn’t the only one to feel uncomfortable. Then the farmer added, “but Lord, when you mix them all together and bake them I do love warm fresh biscuits. So Lord, when things come up that we don’t like, when life gets hard, when we don’t understand what you’re saying to us, help us to relax and wait until you are done mixing. It will probably be even better than biscuits! Amen”.

Within that prayer there is a great wisdom for all when it comes to complicated situations like we are experiencing in the world today. Stay strong, my friends, because our Lord is mixing several things that we don’t really care for, but something better is going to come when he is done with it. Amen.
