## THE GIFT OF NEW LIFE

All around us there are signs of new life, recreation and God's amazing presence. A few days ago I was reading a story in the MINNESOTA VOLUNTEER MAGAZINE. The story was about Monarch butterflies and the intricate process of life that unfolds in their development. The article written by Christine Petersen describes the amazing cycle of life experienced by Monarch butterflies going from egg to larva to pupa before becoming a winged adult butterfly. It is really incredible to consider how the Monarch butterfly migrates from Minnesota all the way to Mexico and California. Some Monarch butterflies have been tagged and tracked for over 1,750 miles in their migratory journeys.

In the Christian Church, the butterfly has long been a symbol for resurrection, new life and the beauty of God's creation. Not only is the butterfly a magnificent creature, this colorful insect is tenacious, determined and displays remarkable endurance. In addition, butterflies are beautiful, colorful, delicate and graceful. I love looking at butterflies in the summertime. Watching them fly can be quite entertaining and kind of renewing to watch them flutter gracefully on a summer's day.

In our church yards we are intentional about preserving some of the milkweed plants that are essential in the early feeding of the Monarch butterfly. Out on the Ponderosa I try very hard to avoid mowing off milkweed plants and it has been a blessing to watch as young butterflies emerge on the stems of the milkweed plants. When she worked here, Megan Dahl and her daughter Nora would sometimes go out in the church yard and find Monarch eggs on milkweed plants and then watch as they grew...and it was inspiring to watch as the eggs eventually became beautiful butterflies.

As we come into June, there is so much beauty and wonder all around us. God is an awesome creator of life. It becomes very apparent that there is a definite reason that the butterfly is an inspiring symbol and reminder of resurrection and our new life in Jesus Christ. So this summer when we are out and about camping, picnicking, playing games, fishing, hiking or just being outdoors -- take some time and if you see a butterfly remember that Jesus is alive and that this butterfly is an ongoing reminder of our new life in Jesus Christ. (...and if you see some milkweed plants don't mow them off or pull them out as they are very essential in the new life of Monarch butterflies.)

I hope you have a tremendous summer, take time to enjoy the beauty and wonder of God's creation all around us! Our God is an awesome God! I look forward to seeing you in church. Please tell me about your experiences this summer and all that God is doing in your life, if you see some butterflies remember they are reminding us of the power of the resurrection and our New Life in Jesus Christ!

It is a real joy to be your pastor and to share in ministry with you! Tod God be the glory!

Your friend,  
Mark Woodward

P.S. I am looking forward to going on a fishing trip to Bemidji with my grandson Daniel in June....not only will we fish, but we'll keep our eyes open for butterflies as well!

## Rummage Sale at Faith UMC

Spring Valley Faith Church had a rummage sale on May 9-10, 2025 which was a lot of fun! Thank you to everyone who donated "merchandise" and those who helped to organize the event! The United Women in Faith also sold cinnamon rolls and coffee. It was great team work! We earned \$1,052.50 to help pay the bills! Thank you everyone!

Mark purchased a new hat!

## THE CROSS ON THE ROOF OF SPRING VALLEY: FAITH CHURCH TO BE ILLUMINATED IN MEMORY OF PASTOR DEANNA WOODWARD

The cross on the roof of the Spring Valley Faith Church will soon be illuminated in memory of Pastor Deanna Woodward. The Board of Trustees and the Church Council are making arrangements for this project to proceed in coming days. Mr. Tom Ramaker has been in touch with an electrician and details are coming together to make this project a reality. Jesus is the Light of the world and in her ministry Deanna emulated the Light and love of Jesus with her approach to everyday life and in the ways she modeled the life changing love of Jesus Christ. All four Maple Leaf Parish Churches will have illuminated crosses symbolically reminding us of the Light of Jesus Christ! It will be a blessing to see the cross on top of Spring Valley Faith church light up at night in the very near future in memory of Deanna.

DIGGING THROUGH MY LIBRARY....I FOUND AN  
OLD BOOK.... REALLY AN UPLIFTING  
MOMENT!

Every once in a while I like digging through my library. A few nights ago I found an old book that I hadn't seen in years. "SOMETHING MORE: SEARCHING FOR A DEEPER FAITH" Written by Catherine Marshall in 1974. Following the passing of Deanna last October and my recent surgery, I am finding this book to be quite renewing, uplifting and inspiring in dealing with some of the problems and situations of daily living. The author recounts the loss of her husband and the death of two of her grandchildren and how devastating those events were in her life and how she grew in her faith in moving forward. Some of the main themes in the book relate to forgiveness, grace, faith and trusting God with our lives. It is very renewing and inspiring, I blew off the dust and am reading it again! Pastor Mark

# Minnesota Annual Conference of the United Methodist Church

Dear Pastors and Congregations of the Maple Leaf Parish:

Thank you for paying 100 percent apportionments in 2025! The River Bluffs District had 53 churches, three more than last year, meeting 80.1% of apportionment payments. Apportionment giving connects us as United Methodists, working together to share the love of Jesus Christ with our communities.

Our newly shaped district includes churches that are rural, town, suburban, and urban working together to grow in love of God and neighbor. We have centrist, progressive, and traditional theologies, with small and large congregations led by clergy and lay people. Your dollars provide training for clergy and lay leadership, support for congregations, and common ministry across Minnesota.

All four Maple Leaf congregations join the others in the River Valley District in paying apportionments in full. Thank you for your steadfast faithfulness to our common ministry. Our apportionments undergird the Minnesota Annual Conference, and the worldwide United Methodist Church, in our witness to Christ. May God continue to work through your church as you bless the world around.

In Christ,  
Rev. Michelle Hargrave  
District Superintendent

It was a real blessing to present KAISEN IRISH son of Hunter and Karly Irish with his very own Bible. It was given to him at Cherry Grove Church on May 11, 2025 (Mother's Day.) One can tell by the smile on his face that he's pretty happy with his brand new Bible given to him by the church family.

Where do bad rainbows go?

To prism. It's a light sentence, but it gives them time to reflect.

REACHING OUT ECUMENICALLY TO LIVE AND SHARE THE GOOD NEWS OF JESUS....WITH OUR BROTHERS AND SISTERS IN THE CATHOLIC CHURCH.... ON THE SELECTION OF POPE LEO XIV.

It is good to be in prayer for the mission and ministry of the entire Christian Church throughout the world. May we all work together for the glory of God in living and sharing the good News of our Savior Jesus Christ. The first words credited to the Pope Leo XIV, "Peace to all of you." In these challenging days may we all be dedicated to the cause of peace in the world today.

## GOOD STEWARDSHIP OF CHURCH PROPERTY..SPRING VALLEY: FAITH CHURCH PARKING LOT CRACK SEALING AND MAINTENANCE IN 2025...

The Spring Valley: Faith Church Trustees and Church Council have made the decision to proceed with parking lot maintenance during the summer of 2025. Cracks will be sealed and the parking lot will be seal-coated during the warm weather of summer. The estimated cost is in the neighborhood of \$15,000.00. Using our Capital Maintenance fund we have approximately half of the expenses covered, however additional donations are needed to complete the project. Additional contributions and gifts are much appreciated.

The Board of Trustees and Church Council believe in preventative maintenance in caring for the parking lot as in the long run it is less expensive.

### **Thank you from the Faith UMC Trustees**

We are grateful for the wonderful folks who have been supporting the Capital Maintenance Fund. Since the Trustees suggested it last year, it has been a godsend for the Church. The money for the furnaces came to it in one generous donation. Recently, it helped us to decide to do seal coating on the parking lot this summer (see separate article above). We currently do not have all the funds to make this happen, but are proceeding with the hope of future funding for it. This 50+-year-old building is showing its age as can be expected. We have several projects on our to-do wish list. Please keep the Capital Maintenance Fund in mind for donations from memorials, rebates, IRA distributions or other disbursements, or simply for a monthly designation. Thank you.

### **Mission Lunch Bunch**

Come and join us on Wednesday, June 18th for our first Mission Lunch Bunch adventure. All Maple Leaf Parish members are welcome.

We will visit First Care Pregnancy Center and the Landing both in Rochester- followed by Lunch at a place determined by those participating.

First Care Pregnancy Center provides a variety of free services to those who are experiencing an unplanned pregnancy, including tests, options, parenting and education support and much more. The Landing exists to build trust, give hope, and support steps toward stability for those experiencing homelessness.

What to bring: your smile and Lunch money. If you would also like to support either or both of these missions:

- ♦ First Care is in need of size 4 and up disposable diapers and size 4 and up pull-ups.
- ♦ The Landing is in need of colorful men's boxers all sizes.

Plan to leave the Preston UMC parking lot at 8:45 am and Faith UMC parking lot at 9:15. Depending on how many show up, we may need more drivers.

If you plan on attending please let one of the following know: Jane, Faith UMC office 507-346-2830 or Nancy Cornell 507-346-2044 or Shirley Goutcher 507-993-1975.

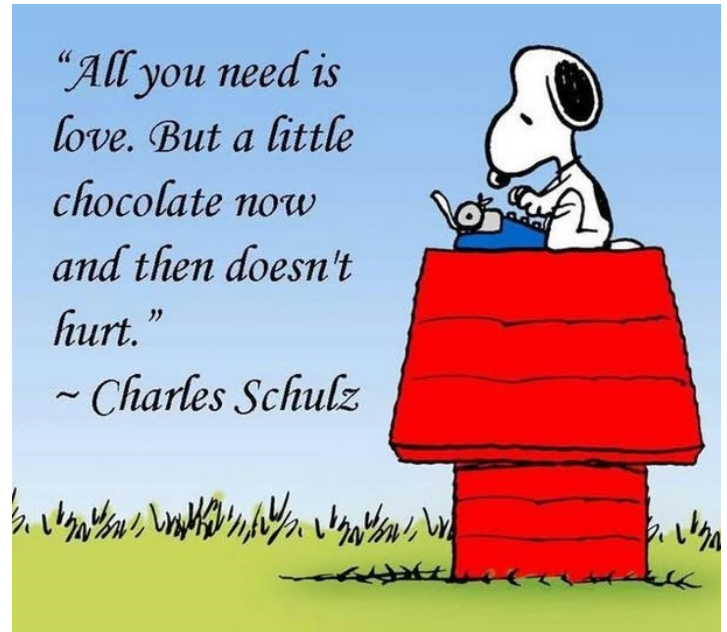

Members of FUMC,  
Thank you for providing a space for the Kingsland Community Food Program (KCFP) to work out of for the weekend food program. It works wonderfully for us. Having a dedicated space to store food and assemble weekly packs is vital. Your commitment to helping feed our families is greatly appreciated.

The Preston Church parking lot is in need of maintenance as it is deteriorating . The Board of Trustees and various people are doing research on possible options for repairing the parking lot at Preston Church.
